Applicant respectfully requests that the rejection to claims 1, 12 and 13 be removed.

At paragraph 9 of the Office Action, Claims 2-11, 13-22 and 24-30 were objected to as being dependent upon a rejected base claims. The Examiner however indicated that these claims would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claim. Claim 1 has been amended to include the limitations of Claim 2 and Claim 2 has been canceled. Claim 12 has been amended to include the limitations of claim 13 and claim 13 has been canceled. Claim 23 has been amended to include the limitations of claim 25 and claim 25 has been canceled. New claim 48 includes the limitations of claim 23 and claim 24 and claim 24 has been canceled.
